RULES FOR THE RALLY FIELD

1. For insurance purposes the Rally site is treated as if it is a public highway and accordingly no underage driving is permitted and only ONE person is allowed on a tractor or motorcycle unless a second seat is provided by the manufacturer as original equipment and no dogs or other pets shall be carried on tractors or motor bikes.
2. A speed limit of 4mph (walking speed) applies throughout the site. There should be no vehicle movements apart from exhibits. If you need to leave the site it must be before 10.00am and if you return you MUST park in the public car park until after 5.00pm.
3. Beware of unaccompanied children on site when driving to and from the main ring. Dogs must be kept under control and kept on a leash at all times. As this is a working farm please clean up after your dog/s and put poo bags in bins provided.
4. No open fires or firepits to be used, only bona fide purpose built barbecues. Please do not put hot ash in the wheelie bins as a hot ash skip by the steam engines is provided for this purpose.
5. Working equipment is present on site and accordingly children MUST be kept under supervision and away from such equipment. Working machinery should not be left unattended.
6. The organisers reserve the right to require you to produce your driving licence and insurance details to the Safety Officer or your Section Secretary.
7. Please be aware of, and use, the Elsan emptying container in the camping field.

**SAFETY IS YOUR RESPONSIBILITY AS WELL AS
THAT OF THE ORGANISERS. THE ORGANISERS
RESERVE THE RIGHT TO REQUIRE ANYONE IN
BREACH OF THE RALLY RULES AND
CONDITIONS TO LEAVE THE SITE**
